## EDUCATION

---

### Arya College of Engineering and IT

*Bachelor of Technology in Computer Science*

Jaipur, Rajasthan

*Aug. 2020 – May 2024*

### DS Science Academy Sr Sec School

*Senior Secondary Examination*

Gangapur City, Rajasthan

*July 2019 – March 2020*

### SVGMS School

*Secondary Examination*

Karauli, Rajasthan

*July 2017 – March 2018*

## EXPERIENCE

---

### Web Development Intern

May 2023 – July 2023

*Celebal Technologies*

*Jaipur, Rajasthan*

- Developed a fully responsive personal portfolio website using HTML, CSS, and JavaScript, effectively showcasing projects, skills, and achievements with a clean, professional design
- Conducted rigorous testing and debugging procedures to ensure cross-browser compatibility and optimal website performance.
- Implemented interactive features, including a project gallery and JavaScript-based form validation, to enhance user engagement.

## PROJECTS

---

### News Website | *React, JavaScript, Bootstrap, NewsApi*

- Designed and developed a high-performing web application using ReactJS, JavaScript, and News API, delivering real-time news updates to users with minimal latency
- Created a seamless, intuitive user interface, enhancing accessibility and engagement across audiences and devices
- Streamlined content delivery by curating and presenting high-quality news articles, increasing user retention and satisfaction rates

### QuizCraze Website | *React, JavaScript, Context Api*

- Developed an interactive and responsive quiz application using ReactJS, JavaScript, and Context API, delivering real-time scoring and detailed result analysis for a personalized user experience
- Built a quiz platform supporting multiple question formats (MCQs, True/False, short answer, etc.), providing instant feedback and enhancing user engagement
- Engineered a mobile-optimized quiz app with a responsive design, ensuring a smooth, consistent experience across all devices and screen sizes

### Landing Pages Using HTML, CSS, Bootstrap | *HTML, CSS, JavaScript, Bootstrap*

- Developed modern, responsive landing pages for marketing campaigns using HTML, CSS, and Bootstrap to deliver a consistent and professional look across all devices
- Created visually appealing advertisement pages tailored for beauty parlours, with seamless integration of custom CSS animations to enhance the user interface and experience
- Built highly functional landing pages featuring responsive navigation bars, contact forms, and footers, improving accessibility and user engagement
